Two Technologies... One Brake Pad.

Federal-Mogul has established a new standard in replacement brake components by integrating two highly advanced proprietary technologies into the Wagner® ThermoQuiet® brake pad line.

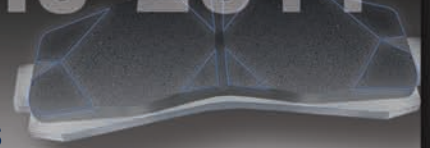

- *Patented IMI™ one-piece brake pad design... eliminates the need for a conventional shim*
- *Patented Laser-Shaped Friction™ technology... custom shapes friction for each braking system to focus caliper force further reducing and eliminating noise*

See other side for new applications.

- Quieter Performance
- Superior Stopping Power
- Longer Pad Life
